

Stallion housing and office solutions

PURPOSE-BUILT FOR COMFORT

Be it a jobsite, disaster response, or special event, Stallion provides accommodations that are thoughtfully designed with comfort, connection, and security in mind. Our workforce housing gives you a place to relax and recharge, while our mobile offices offer a space for productivity. But we move beyond bringing you four walls for relaxation or productivity. Stallion workforce buildings can be configured for any and every need that your workforce requires and are refurbished or rebuilt between contracts.

Skid-Mounted & Wheeled Workforce Housing

Stallion's skid-mounted and wheeled buildings can be deployed quickly without the need to build a foundation for either structure. Stallion workforce buildings are turnkey and feature at-home comforts.

- Furniture, linens, entertainment, and kitchen equipment provided
- Available in single units or camp complexes
- Meets all current government regulations

Options:

Available sewer and water treatment, generators, communications, and more

Command Centers & Office Buildings

Stallion command centers and office buildings are mobile and easy to move and position where a convenient, visible location is needed on your site. Well-equipped and wired for technology, they give your chiefs, managers, and captains the right environment to keep your operation humming.

- Turnkey delivery and setup
- Pre-configured for connectivity
- Comfortable, connected, and sophisticated

Options:

Guard shacks, on-site ops center, and meeting space

Delivering Infrastructure Solutions Nationwide

www.StallionIS.com

With more than 25 locations throughout the United States, Stallion's industry-leading solutions are always close at hand. We safely transport and deploy our technology, services, and skilled personnel to jobsites, events, and disaster relief efforts nationwide. From the field to the cloud, Stallion delivers security, comfort, and connection, proving with every project that Stallion is MORE.

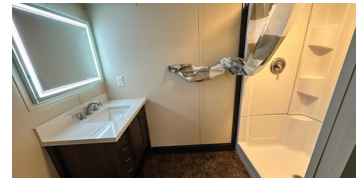

Offshore Buildings

Regardless of the environment, Stallion offshore buildings are climate-controlled, outfitted with full-sized furniture and commercial-grade appliances, and stackable for space optimization. Accommodations need not be uncomfortable. Stallion's configurable offshore buildings provide crew members respite from harsh working conditions.

- Accommodations for larger crews and longer project timelines
- Configurable and customizable
- Refresh, refurbish, or upgrade your current housing

Options:

Sleeper, galley, and laundry buildings

Blast-Proof Buildings

Stallion's blast-resistant buildings offer greater safety and protection for your team and assets in sites that are more dangerous. Rated for 200MS medium response, they maintain a high degree of security and comfort that you expect from Stallion.

- Omni-directional blast resistance
- Restroom, workshop, and office configurations
- Available in 11'x33' and 12'x40' size

Options:

Blast-resistant building, 3psi, 5psi, or 8psi.
